"There comes a time when you have to stand up and shout: This is me darn it! I look the way I look, think the way I think, feel the way I feel, love the way I love! I am a whole complex package. Take me... or leave me. Accept me - or walk away! Do not try to make me feel like less of a person, just because I don't fit your idea of who I should be and don't try to change me to fit your mold. If I need to change, I alone will make that decision."

A Christmas Carol

"Mankind was my business...You will be haunted by three spirits." Jacob Marley

The classic Christmas tale about a man obsessed with material wealth and "his own business" learns about the power of hope and redemption in Charles Dickens' *A Christmas Carol.* Ebenezer Scrooge, played by our very own Chase Francis, is bothered by the "idleness" of mankind finding it bothersome that no one seems to share his views about life and work except for his dead business partner, Jacob Marley. Even his faithful employee, Bob Crachit, played by Tyler Doyle, has the audacity to ask for a vacation day on Christmas. Bah Humbug!

"God bless us, everyone" ~Tiny Tim

Jacob Marley, played by Guillaume Poudrier, visits his friend urging Scrooge to change his ways. The entire play revolves around Scrooge's odyssey with three ghosts who show Ebenezer various stages of his life: past, present, and future. Through the gifts of the spirits, Scrooge rekindles his emotional ties with humanity and decides to embrace a new future. The DeKalb cast put on a phenomenal performance under the direction of Ken and Shelley Johnson. Bust a Move!

Thousands of emotions well up within me throughout the day. They are released when I dance. -Abraham Lincoln-

Dozens of people stand out on the dance floor, putting all of their emotions into the dance. Out at the tables, people watch and debate the benefits of joining them. Friends talk, couples dance, and individuals smile. This is DeKalb High School's Semi-formal.

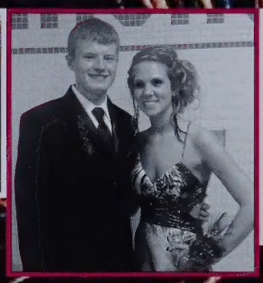
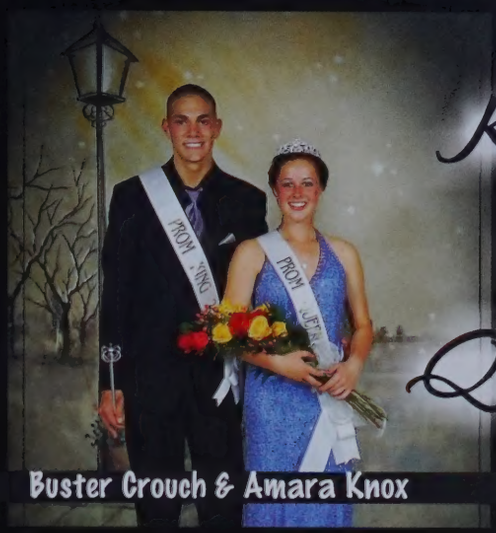
A Night In Paris



Whether youve dreamed about prom night since you still wore footie pajamas, or the mere thought of dancing in public gives you butterflies in your stomach, prom is a night youll never forget. Of course, you may remember it as being cool, funny, embarrassing, or totally awesome. No matter what your feelings about the big night, here are some of the most memorable ways others have summed up the prom.

"You know when you have found your prince because you not only have a smile on your face but in your heart as well."



There are short-cuts to happiness, and dancing is one of them.

A man on the beach where thousands of starfish lay dying in the sun saw a girl tossing them into the sea, one by one.

Tossing yet another starfish into the sea, the girl said,
"I made a difference to that one."

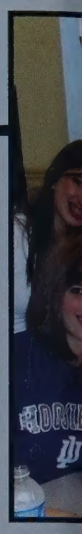
BREAKFAST
All the seniors rush in line to be the first to get their breakfast. The delicious breakfast was catered by Sutton's Deli.

CLASS OF 2011

"Sometimes I've believed as many as six impossible things before breakfast"
~ Lewis Carroll

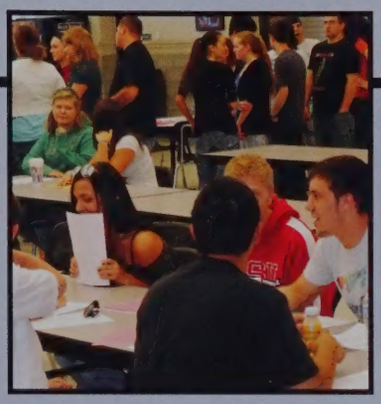


This year the senior class decided not to have a Senior Dinner Dance. Instead after the Senior Breakfast they had the rest of the day off.

After everyone had gotten their breakfast, Kaylee Stout and Katie Reynolds read off and handed out prizes to the winners for the senior polls. Then, they passed around two caps for all of the senior class to sign for the family of DJ Snyder.

When everyone was done eating, it was time for graduation practice. As the seniors prepare for the real deal on Sunday, you could see that they all were extremely anxious and excited to be graduating.

Senior Breakfast



Graduation

Four years ago we stepped into high school ... individuals seeking to do well, to find our identity, to find our best friend. We opened our lockers for the first time, looked at our schedules, thought about how great it was to finally be in high school. Four years ago we met our best friend, got our rings, we went to our first school dance, had a crush on a cute senior. Four years ago, we couldn't wait for this day!

Left: The Show Choir seniors showed off their amazing vocals by sing the Indiana State Song " On the Banks of the Wabash, Far Away ". As well as The National Anthem at the beginning of the ceremony.

German Club

Fun, philanthropy, and service, three words that best encompass the activities performed by DHS's Deutsch Verein. We began the year with a service project collecting trash from CR 427, then held our annual Christmas family fundraiser raising over $600 for a local family in need. During the winter, we enjoyed a favorite German pastime of tobogganing at Pokagaon. We also had a great time with German movie night. We ended the year with our disaster relief fundraiser for the people of Japan, and our senior scholarship which was awarded to Shaye Mentzer and Kristal Vanderhaag. Submitted by Guillaume Poudrier.

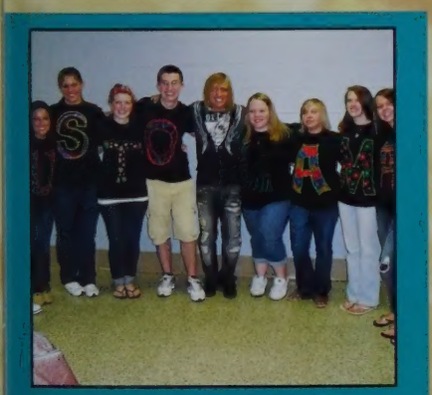
Spanish club members were very busy this year. In the fall, Spanish club members willingly gave their time and energy to help clean up Betz Nursing Home by raking leaves and... During the Christmas season, students went caroling at Betz. Throughout the year, Spanish club members helped the school be a little more "green" by recycling over 200 tons of paper.



Spanish students went to see Justo Lamas who is a performer from Argentina. His inspirational music has a positive message of staying in school and making good choices.

Bowling

DeKalb Bowling

How many of you knew that we have students who compete on the DeKalb Bowling team? These students dedicate hours to perfecting the time-honored art of bowling. Some of the members compete beyond the team and enter competitions where they win scholarship money. This year the girls won NE conference and NE sectional. The girls also have the distinction of ProBowl in the regional competition.

Carnation Noll, Megan Loff, Taylor Buckles, and Taylor Smith rake thousands of leaves to help clean up around the DeKalb Humane Shelter.

FCLA

Future Community Leaders Association concentrates on helping the community with projects such as fund raising for and raking leaves at the Humane Shelter. Some members enjoy helping out during weekends, as well! Others visited nursing homes and played game with or just had friendly conversations with the residents. They also sponsored a family at Christmas and went shopping for gifts and they wrap them for their enjoyment. They made caramel apples this year, too.

Taking a break from their hard work of raking leaves, Carnation Noll, Megan Loff, Taylor Buckles, Chelsea Wilson, Amanda Smith, and Taylor Smith take a jump in them!

Hard at Work

Rohm's Thoughts:

This year presented some challenges with a small staff and a slow start for production; however, I'm really proud of the students for "stepping up" and working as a team. They really worked hard to make this a great book for you. I'm especially thankful to Brit, Bailee, Megan, and Haleigh for taking on extra projects. I love working with the yearbook staff each year, and this year was no exception. Good work!

Student Council

Student Council does many events throughout the school year. They plan homecoming week and snowcoming week. In those weeks they hold dress up days each day and plan a convocation for Friday of that week. They also participate in Canstruction. In Canstrution they design a sculpture and build it from cans. The cans are then all donated to those in need.

DEKALB BAND

I'm definitely responsible for coming in with some basic chord changes, or ideas. Everybody in the band looks to me to come up with the basic seed, so it's not very productive to come in with nothing. I'll come in with a string of riffs and direct the musical ideas. But you still need a band and their input to make the ideas come alive. You can't underestimate band chemistry.

Although I have a ton of great memories from soccer, my favorites would have to be the crazy times we had during practices such as our theme days that never really worked; creating and speaking "World Cuppian"; or our very soapy slip'n'slides. I can't forget the girls and the coaches; they definitely made my four years exciting and worthwhile!

Amber Shipe

My favorite memories are beating undefeated Wawasee and the bus rides with my friends!

Amber Oster

I'd have to say that my favorite memory from soccer was singing songs like the YMCA, Hokey Pokey, Old McDonald, and the Itsy Bitsy Spider with friends while running our four miles at practice. Singing made the running seem shorter and way more fun! I'm truly going to miss the girls!

Just a Short Skirt or a real sport

The common debate for cheerleaders: Is competition cheerleading a sport? Cheerleaders are mostly perceived as the popular girls-- in it for the uniform and being apart of a social group while promoting school spirit for their team. Others believe it is one of the most challenging sports: lifting girls in the air, over your head; doing heartpounding routines; doing back breaking tumbling, that, let's admit, half of us can't do. We asked you what you thought...

Here's what YOU said

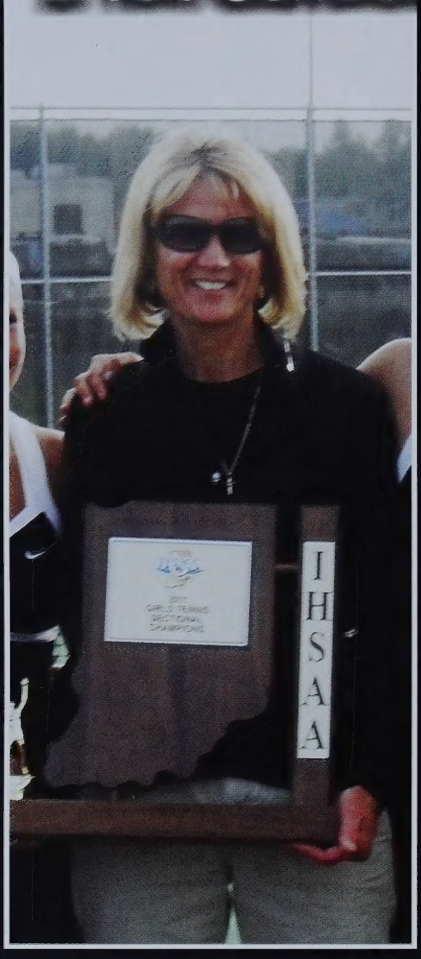
21st consecutive sectional



In the last home match as DeKalb's girl tennis coach, Oneal's Barons found themselves in a tense, emotional battle with the feisty Hornets, who were determined to do everything they could to end Dekalb's long string of sectional titles.

In the end, Oneal could take a well-earned deep breath. Two singles wins and victories in two draining three-set doubles matches gave the Barons a 4-1 victory, and their 21st consecutive sectional Championship.

" It scared me to death," Oneal, who's leaving the Baron program after 22 years, said. " That was one of the most nervous sectionals I"ve been through. We played three tiebreakers and we won all of them. I'm really excited about that. It was exciting to see them successful.

If you were pictured but not properly indexed, we apologize. A great deal of time and effort was put into the making of this book by the 2011 Saber Staff and Mrs. Rohm. Although we combed through the book for errors, it still remains a student publication which may contain a few. Again, a great deal of hard work went into the production of this book, so we hope you enjoy it for years to come.

The yearbook staff would like to take a moment to thank Sandy Evans and Mark Childs from Jostens with all their help. We would especially like to thank Mark who worked with Mrs. Rohm to help wrap things up in the summer. You are the best, Mark!

The yearbook would also like to thank individuals who helped contribute photos to the yearbook. In particular, Tina Rhodes, Mrs. Parrish, and Becky Smith. The yearbook staff would also like to thank Mark Murdock from The Star who helped us when we were "in a pinch". We would also like to thank The Studio for supplying prom photos and various other candids--what a difference you made!

Because we are not able to be everywhere to capture the year's events, we greatly appreciate everyone who uploaded photos to us; this makes a HUGE difference!!

Enjoy the book!
